

Armscor Ammo Warranty

Armscor Precision International warrants its ammunition (Brand: Armscor USA or Armscor Precision) to be free from defects in workmanship and materials. This warranty is extended only to the original consumer purchaser for one (1) year following date of purchase. During the warranty period, we will (at our sole option) repair, replace or refund the purchase price of any defective part or product covered by this warranty when it is returned by the original owner with proof of purchase and an assigned Return Goods Authorization number from our customer service staff. The repair, replacement or refund will be without charge except for reasonable shipping, handling and insurance charges.

If you have a warranty claim, contact our Customer Service Department at 775-537-1444 or support@armscor.com.

All ammunition warranty claims must have a Return Authorization number assigned before acceptance at our facility for further examination. Please DO NOT send ammunition without obtaining an RA number from our Customer Service staff.

NOTE: Improper storage and handling of ammunition may result in damage to the product. The appearance of exposure, corrosion or any other evidence of damage that occurred after the product was sold will void any warranties.

Any warranties implied by law shall in no event extend beyond duration of this express warranty. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Repair or replacement as provided herein is your exclusive remedy for any defective product. In no event shall we be liable for any special, incidental or consequential damages of any kind arising out of the purchase or use of this product, whether based upon contract, tort, statute or otherwise. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

Due to the complexity of export/import rules between the United States of America, Philippines, and other countries, Armscor bullets, brass and ammunition that are sold outside the U.S.A. and Philippines are sold "as is", and are not covered by all portions of Armscor's Ammunition Limited Warranty. Please contact us directly for claims of this nature at the number or email listed above.
